(Yr3) 7. I find Tapestry very informative and enjoy using it to see my daughters progression (Reception) 8. The curriculum is limited. A great amount of time is spent on writing, which my child finds boring. Lack of geography, science and PE. He is challenged in Maths and English, but the amount of writing has turned him off learning. (Yr6) 9. I am very happy with the support my child gets from Sacred Heart School and with all the teachers that have taught him throughout his time at Sacred Heart. (Yr6) 10. Since my daughter started at Sacred Heart in Yr2 we have seen such a difference in her. She is so happy and really enjoys being at the school. It is a lovely school and I am so pleased my child was given the chance to come here. (Yr3)
