Fourteenth Sunday of Ordinary Time (Year A)

Together we live and learn, we play
and pray.

All children have an extremely busy and hard working week. Our Year 5 and 6 children had a fantastic science day learning all about weird and wonderful experiments and investigations. Year 1 and 2 had a fantastic day in the woods as part of their Enchanted Woodland theme. Finally, I look forward to seeing you all at this afternoons summer fayre – FOSH have done a super job in preparing a fun filled afternoon for you all.

Healing God, unite us in love because we are all neighbours in Christ. Let us be like you and offer compassion and help to everyone in need. Amen.

Mr Cooper
Head of School

Weekly Attendance

Congratulations to Yr2 for having 100% attendance this week. Our overall school attendance this week an amazing 97.4%. Meaning our school attendance so far is – 96.69%.

First Holy Communion

In Thursdays weekly Mass we were able to celebrate those children who made their First Holy Communions recently. It was lovely to have all 17 children altogether for this special service. Thank you to all the parents for making the effort to dress the children in their celebration clothes and also attending the Mass.

Science Day

On Tuesday, Years 5 and 6 experienced a fantastic day that was jam-packed with science. The day got off to an exciting start with a 'space' science show delivered by scientists from Cambridge University. This was followed by a space-themed workshop which involved testing a range of materials for absorbency - discovering that the most absorbent material was used to make nappies for astronauts! The children also got to use a robotic arm to move objects. Led by Miss Hayes a science teacher from Saint John Fisher School, the children then prepared a range of science experiments ; lava lamps, 'tornado in a bottle', 'gloopy gloop' and more! The day ended with a 'Science Fair' in the hall for parents and lower Key Stage Two - with the children presenting and explaining their experiments.

Enchanted Woodland

KS1 went down to the woods today and had a great time. We had a long walk through Bretton, in the sunshine, to find a very hidden away, tranquil spot where we could have been anywhere in the UK. The children took part in 4 activities: a woodland walk, making bunting with leaf impressions, making homes for stick men and their favourite; making and baking bread on an open fire. Actually, come to think of it, I think their favourite part was the eating of the bread (which smelt lovely). The adults that worked with us from 'Nene Coppicing and crafts' were very complimentary about the children's attitude and behaviour and, as always, we were very proud of them. The children had a fabulous time and the walk back was much quieter than the way there as some of them were worn out from their adventures. Thank you to all the adults who came with us. We look forward to the next KS1 trip.

Sacred Heart's Got Talent

Throughout this week and next, preparations are taking place for our annual Sacred Heart's Got Talent show. This will take place on Friday 14th July and as always staff and children are looking forward to this with great excitement!

St Felix Seniors Group

For your information there is a seniors group that meets Tuesday afternoons 2.00pm-4.30pm in the hall. All senior citizens are welcome.

Parent and toddler group at St Oswald's

For your information there is a parent and toddler group that meet every Wednesday morning from 10.30am at St Oswald's church hall.

School Notice Boards

Please look out on our school notice boards for the latest FOSH minutes, governor minutes, weekly newsletter and general school updates.

Ofsted Parent View

Parent View gives you the chance to tell us what you think about your child's school. Parent View asks for your opinion on 12 aspects of your child's school, from the quality of teaching to behaviour. A screencast demonstrating how to register and complete a survey on Parent View is available on the website www.parentview.ofsted.gov.uk By sharing your views, you'll be helping us to further improve as a school.
