

Sacred Heart Catholic Primary School

Remote Classroom Strategy
2020-2021

Teaching and Learning

- Teachers will be available between 8.30am and 3.30pm Monday–Friday term time.
- Each morning a welcome message will be posted by the class teacher.
- All home learning will be set via Tapestry for Reception children and the SeeSaw learning App for Years 1-6.
- Children will be set a minimum of four learning activities each day. These will cover a broad and balanced range of subject areas.
- Learning set will be age and ability appropriate and follow the termly curriculum plan for English, Mathematics and RE.
- Learning activities set will be appropriate to being completed online and require limited printing.
- Where appropriate, teaching videos will be uploaded to support the children's home learning.
- Prayer and worship resources will be uploaded to support families at home.

Access to Meals

- In the event of a bubble/partial school closure, all children eligible for FSM will be able to receive daily food parcel deliveries.
- In the event of a full school closure, children eligible for FSM will have receive weekly supermarket vouchers.

Feedback

- Both Tapestry and SeeSaw allow for frequent engagement between the child/parent and teacher.
- Teachers will feedback in a timely manner to all completed learning activities and feedback will be supportive and developmental.
- Children/families are encouraged to participate in a dialogue with the teacher to further develop their learning.

Keeping in Touch

- Staff will keep in regular contact with children and families in their class to offer learning feedback and support the child's wellbeing. Staff will aim to call all families weekly.
- A weekly briefing for families will be produced by the Headteacher.
- Weekly 'Distance Learner of the Week' awards will be posted to selected children.
- **The Autumn Term Parents Meetings will take place via prearranged phone calls.**

Resources and Devices

- Devices will be made available via a loan system for all families who require one to ensure that all children can access remote learning effectively.

Safeguarding

- Contact with families open to CSC will be frequent to ensure that the children's wellbeing is being looked after. Where possible, these children will remain in school.
- For all children learning at home, the '*Safeguarding and Child Protection policy COVID-19 school arrangements Addendum*' will be adhered to.

Staff Training and CPD

- Teaching staff will meet weekly via video call.
- A planned cycle of meetings is in place, however these will be adapted should they be required to.
- Frequent SLT meetings will occur via video call.
- Staff will participate in frequent CPD online e.g; safeguarding updates, SEND meetings, MAT meetings, subject leader meetings, STA training etc

Access to other professionals

- Access to and communication with other professionals e.g. Speech and Language, Play Therapist, Peripatetic Music lessons, Visual Impairment team, Children Social Care etc, access will continue to be made available via video call/telephone contact.
