Friday 28th January 2022

Dear Parents/Carers

COVID Update

This week saw the government begin to remove a number of the 'Plan B' measures for managing COVID due to a continued reduction in COVID cases across the country.

However, the COVID situation in schools across our Local Authority continues remains very challenging. Here at Sacred Heart, we currently have 17 children and staff absent after testing positive for COVID. Therefore, we have decided to keep our current additional COVID risk management measures in place for the next two weeks. These measures include:-

- All staff are to be encouraged to wear face coverings at all times: except when teaching and working in their classrooms.
- All parents are encouraged to wear a face covering when dropping off and collecting their child.
- All parents are encouraged to continue to routinely carry out Lateral Flow Testing on their children where possible.
- No parents/visitors will be allowed in the school building unless it is for essential purposes. If a discussion between staff and parents is required, this will take place outside in the first instance.

I am pleased to inform you all that all sports, reading and mathematics clubs will resume again from Monday 31st January 2022.

Our full COVID school risk assessment can be found on our school website. This continues to be reviewed and updated weekly.

If you have any questions or queries about any aspect of these measures, no matter how small you think they are, please see either Mrs Robertshaw or me outside of school at the beginning or end of the school day.

Regards,

Mr Cooper
