3. Class Charters – these are now complete and displayed on dedicated boards in in each classroom. The Charters have all been developed after much discussion with the children in each class, who said the Articles were chosen using democratic methods. They all look very bright and eye-catching. They have also been put onto the RRSA section of the school website.

4. Whole School Charter and Playground Charter. We discussed ideas for a whole school charter and discussed which Articles should be included in it. Mrs Sidebottom brought to the meeting photos of both types of charters from the internet, to give everybody ideas for different ways of displaying them. The steering group are going to bring ideas for wording and display to the next meeting.

6. Fundraising – We discussed various ideas for Fundraising projects. The steering group children are to work alongside the School Council to take ownership of various fundraising projects to be held in school over the next few months. Children are to come to the next meeting with further ideas for fundraising.
