Headteacher: Mr M Cooper

Dear Parent/carers,

Your child will be starting in our Foundation Stage class in September 2020.

Introduction to Sacred Heart Catholic Primary School

In order to give your child, the security, confidence and care they need when starting school, we will ensure:

- Close liaison with your child's pre-school setting and a partnership with you
- Regular access to class teacher and support staff who understand, and are sensitive to, the unique needs of each child
- Visits to Sacred Heart to help your child become familiar with the school environment

Liaison with pre-schools

We really value the liaison with pre-school staff and where possible, we like to meet the children in a familiar setting. We aim to visit as many of the local pre-schools as possible before the children start school, when preschools reopen again. Should we have only one child coming from a particular setting, we may liaise by telephone.

Parents' meeting

We are currently in the second period of the lockdown ordered by the government. I fully understand that, as new parents, you will have lots of questions. If we were under 'normal' circumstances, we would be meeting face to face and talking through any questions you may have. Although this is not possible at the moment, Mr Cooper, the Foundation team and the rest of the school, would like to welcome you to our school. If you would like to find out more about Sacred Heart Primary School, you will be able to watch some videos that will be published in the next few weeks on our Website.

If after your viewing you have any queries, please contact us via the school office on:
